MILNTHORPE MEN'S FORUM

The first meeting of the Milnthorpe Men's Forum took place at the Wheatsheaf Hotel, Beetham on February 1989. The aims of the forum are:-

1. To promote good fellowship
2. To be an open secular society
3. To work for the good of the community
4. To support local charities

Membership is open to men of age 18 years and upwards. Since its inauguration in 1989, Forum has met regularly on the third Monday evening of each month, usually with an invited speaker. Alternatively outdoor activities such as walks, crown green bowling, fishing and clay pigeon shooting have been organised.

The principle fund-raising activity has been the annual Art Exhibition, held in St Thomas' Church Milnthorpe every July since 1990. The exhibition is promoted by the Men's Forum, but relies on active support from many people within the community. The success of this enterprise has led to substantial contributions being made to local charities.
